

Have you ever seen the "In Association With" graphic on the paperwork of a Dunnett event, and wondered why it's there? It means that although the DDRA is not responsible for the event, the event conforms to some simple rules about running a Dunnett event. These are listed below.

1. The event will be advertised in Whispering Gallery.
2. The event will be open to DDRA members (as well as non DDRA members) - whether they are online or not.
3. A discount may be offered to DDRA members, but this is not mandatory.
4. The "In Association With" logo will be used on the agenda/welcome pack, etc of the event.
5. The attendees at the event will be told about the DDRA, and given an opportunity to join us. The organiser of the event will ensure that membership forms are available (you can download them from www.ddra.org), and there is someone present to collect cash or cheques, and to forward the money and forms on to the DDRA (the DDRA can help with providing such a person if asked, and also with issues such as cheque conversion for non-UK currencies).
6. At least one recent issue of Whispering Gallery will be available at the event for non-members to see.
7. The "In Association" is purely informal - it does not confer any legal duty or responsibility from the event organisers to the DDRA or from the DDRA to the organiser.
8. The DDRA will provide, on request, between 1 and 4 issues of Whispering Gallery (depending on the recommendation of the organiser) to any expert speaking at the event, so that they can gain a better idea of what the DDRA and the Dunnett world is all about. We will start sending out such issues as soon as the Speaker is hired.

Not every Dunnett event will be in association with the DDRA - but we're still happy to advertise the event (no matter how small or informal) in Whispering Gallery and on events page of www.ddra.org. We expect every event that is in association with the DDRA or that is actually run by the DDRA, to be open to non-members as well.

If you have any questions about this, or want to run an event, want to apply for "in association with" status, want to apply for a bursary to help fund an event that may otherwise not happen, or just ask advice – email enquiries@ddra.org or write to the Enquiries address inside the front cover of Whispering Gallery. The DDRA strongly encourages the holding of Dunnett related events of all kinds – we want to help.
